DESCRIPTION

COLOUR: Deep black with purple highlights.

BOUQUET: Ripe fruit with floral, grassy and liquorice tones.

FLAVOUR: Well-balanced and long-lasting.

SENSORIAL CHARACTERISTICS

Tempranillo variety, grown in the lime and claybased soil of Rioja Alavesa.

Powerful to the nose. With a fruity potential in which ripe strawberries or raspberries are predominant. It has floral and grassy tones, with a gentle liquorice sensation.

Intense and with a tasty acidity, to the mouth it is well balanced between fruit and spicy liquorice.

Long retronasal features making it a pleasant and easy wine to drink
